

Taking Action for Change

■ Facilitated Action Planning

- A ½ day optional activity that immediately follows a Cross-Systems Mapping workshop
- Key stakeholders make specific plans for taking action
- This interactive, information-sharing, collaborative activity addresses the identified gaps in service and the priorities established in the Cross-Systems Mapping workshop
- Gaps are addressed through attainable, low-cost, prioritized action steps

■ A Local Action Plan

The product of this segment is a local action plan that:

- Addresses a mutually identified set of local systems problems that are impeding criminal justice diversion and service delivery
- Reviews best practices that address the identified problems
- Establishes action steps and identifies staff to pursue next steps

What People Are Saying About **ACTION** Workshops:

- *Great opportunity for networking and interacting across boundaries*
- *Excellent examples and information about other localities across the country*
- *Ability to talk to other people and connect and discuss possibilities*
- *Opportunity to see ideas from a different perspective*
