Incorporated in 1987, PRA is a leader in behavioral health and research. Our employees’ diverse experience and expertise coupled with our proven performance record in working effectively with a variety of agencies has brought us national and international recognition. We are a small, woman-owned business with the capacity to offer a broad range of services and to administer large-scale projects. The services provided by PRA inform policy and result in improved outcomes in communities across the United States. PRA is known for its expertise in:

- Behavioral health
- Benefit access
- Consumers & family members
- Criminal justice
- Homelessness
- Juvenile justice
- Recovery supports
- Service members, veterans, and their families
- Trauma
- Wellness

**RESEARCH**

Our researchers structure data collection to evaluate program transformation, design research protocols, train staff, gather and analyze data, and present results in formats geared toward policymakers and funding sources. Our services include:

- Policy analysis & program assessment
- Evaluation design, data collection, & data analysis
- Performance measurement, including NOMS & GPRA
- Report writing

**TECHNICAL ASSISTANCE**

Our technical assistance services are available to states, counties, tribes, and community-based organizations to assist with the implementation of evidence-based practices and support services. We offer:

- Onsite & offsite consultation
- Needs assessment & gap analysis
- Strategic planning
- Academy & meeting facilitation
- Fact sheet, brief, & monograph development

**TRAINING**

We provide training and technical assistance workshops in our expertise areas to help communities transform behavioral health service delivery:

- SOAR Strategic Action Plans, Online Course Facilitation, & Leadership Academy
- Mental Health Training Curriculum for Juvenile Justice
- Sequential Intercept Mapping Workshops
- Trauma-Informed Criminal Justice Responses

**MEETING PLANNING & FACILITATION**

PRA develops, plans, and facilitates meetings and conferences ranging from 1-day workshops to national, multi-day meetings. We offer wrap-around meeting services by securing the meeting space, developing agendas, recruiting presenters, coordinating travel and lodging, preparing materials, and providing on-site facilitation and technical assistance.
