

A national leader in behavioral health technical assistance and research, Policy Research, Inc. (PRI) is a small non-profit that was incorporated in 1995. Our employees' diverse experience and expertise coupled with our proven performance record in working effectively with a variety of agencies has brought us national recognition. We are a Women-Owned Small Business (WOSB) with the capacity to offer a broad range of services and to administer large-scale projects. The services provided by PRA inform policy and result in improved outcomes in communities across the United States. PRA is known for its expertise in:

- Behavioral Health
- Criminal Justice
- Recovery Support
- Benefit Access
- Education
- Service Members, Veterans, and their Families
- Child Welfare
- Family Members
- Trauma
- Consumers and People in Recovery
- Homelessness
- Wellness
- Juvenile Justice

## POLICY

We work with stakeholders to review, assess, and suggest policy at the local, state, and federal levels to ensure that there is systemic support for your initiatives. We are adept at evaluating current policies and laws for recommendations and enhancements to ensure that vulnerable populations receive the care and support they are entitled to.

## RESEARCH

Our researchers structure data collection to evaluate program transformation, design research protocols, train staff, gather and analyze data, and present results in formats geared toward policymakers and funders. Our services include:

- Policy analysis and program assessment
- Evaluation design, data collection, and data analysis
- Performance measurement, including NOMS and GPRA
- Report writing

## TECHNICAL ASSISTANCE

Our technical assistance services are available to states, counties, tribes, and community-based organizations to assist with the implementation of evidence-based practices and support services. We offer:

- On-site and off-site consultation
- Needs assessment and gap analysis
- Strategic planning
- Academy and meeting facilitation
- Fact sheet, brief, and monograph development

## TRAINING

We provide online and in-person training workshops in our areas of expertise to help communities transform behavioral health service delivery. Highlighted trainings include:

- SOAR Strategic Action Plans, Online Course Facilitation, and Leadership Academy
- Mental Health Training Curriculum for Juvenile Justice
- Sequential Intercept Mapping Workshops
- Trauma-Informed Criminal Justice Responses
