

CUSTOMIZED TECHNICAL ASSISTANCE AND TRAINING WITH NATIONAL EXPERTS

ABOUT THIS OPPORTUNITY

Customized Technical Assistance and Training with National Experts is an opportunity for states, localities, tribes, and organizations to identify and address their highest-priority needs to inform policy and improve outcomes within their behavioral health systems. PRA staff experts will design a unique technical assistance and training package targeted to system improvement goals.

TOPICAL EXPERTISE AVAILABLE

Behavioral health is at the core of PRA's 30 years of experience, and our staff expertise covers a wide range of topics, such as:

TECHNICAL ASSISTANCE AND TRAINING

In addition to PRA's topical expertise, we adapt to your needs and can design technical assistance around your priorities and local environment through the following mechanisms:

BENEFITS

- Customized to accommodate your locality's specific needs
- Increased implementation of, and support for, evidence-based and promising practices
- Well-trained and informed behavioral health workforce
- Improved outcomes for behavioral health systems, programs, and individuals they serve

TARGETED TRAINING WITH IMPACT

- Achieving lasting impact through wrap-around consulting services
- Facilitating collaboration to solve community problems and enhance services
- Targeting multiple levels to stimulate and sustain change
 - Cross-system collaboration
 - Organizational change
 - Workforce development

ABOUT PRA

Policy Research Associates, Inc. (PRA) is a Women-Owned Small Business that is a national leader in behavioral health and research and its application to social change. Since 1987, PRA has assisted hundreds of communities nationwide through a broad range of virtual and in-person services to guide policy and practice.
