

### **Purpose**

The Homeless and Housing Resource Center (HHRC) was established by the Substance Abuse and Mental Health Services Administration (SAMHSA) to expand the availability of high-quality training in evidence-based housing and treatment models focused on adults, children, and families who are experiencing or at risk of homelessness and have a serious mental illness, serious emotional disturbance, substance use disorders, or co-occurring disorders.

#### **About**

HHRC provides training on housing and treatment models focused on adults, children, and families who are experiencing or at risk of homelessness and have serious mental illness and/or serious emotional disturbance, substance use disorders, and/or co-occurring disorders.

### Vision

The vision of HHRC is to be a central hub of easily accessible, no-cost training for health and housing professionals in evidence-based practices that contributes to housing stability, recovery, and an end to homelessness.

## Resources and Trainings

Based at Policy Research, Inc., HHRC works in partnership with national experts in homelessness, mental health, and substance use to develop up-to-date, comprehensive toolkits, webinars, and selfpaced online trainings.
